The Mindful Risk Group are one of Australia's leading Risk, Governance and Workplace Safety advisory firms, providing tailored solutions to diverse and highly regulated business sectors including Resources, Logistics, Sea Freight, Indigenous Organisations and the Community & Not For Profit Sector.

We are currently supporting a number of Aboriginal Land Councils and Aboriginal Medical Service organisations across Australia to assist them with their Risk Management, Governance and Workplace Health & Safety requirements.

We can support you to achieve your business goals and objectives by working alongside you to identify any areas of non-compliance and create your Action Plan to improve your Risk, Safety and Governance requirements.

The Mindful Risk Team all hold qualifications in Risk, Governance and Workplace Health & Safety, including accreditations as nationally qualified vocational trainers.
